**(LONDON, UK — 7 SEPTEMBER, 2021)** - Today, fashion publisher i-D unveils the first cover star of its 2021 Fall issue, Grammy-award winning artist, songwriter and megastar **Billie Eilish** photographed by **Glen Luchford** on location at the Irwindale Speedway and in the desert outside Los Angeles.

Two-and-a-half years after the release of her debut album, *When We All Fall Asleep, Where Do We Go?* **Billie Eilish's** fame is still singular and stratospheric. She has seven Grammy awards, two albums, and two global arena tours that sold out in seconds under her belt. In the weeks leading up to the release of Billie Eilish's second, hugely anticipated record *Happier Than Ever*, the subversive pop artist found herself speaking to a similarly game changing artist: **Stormzy** for i-D. The duo, separated by the Atlantic and then some, may be an unlikely pairing to those not in the know, but they've been acquaintances and mutual admirers of each other's work for some time now.

In a print, online and video interview, Billie and Stormzy open up about their journeys to becoming artists, growing up on the internet and dealing with hate online, as well as unpacking her new album and favourite tracks exclusively for i-D's Fall Issue.
