VICE MEDIA GROUP RECEIVES 33 NEWS & DOCUMENTARY EMMY® AWARD NOMINATIONS MARKING AN ALL-TIME RECORD FOR THE COMPANY

VICE NEWS TONIGHT IS THE MOST EMMY®-NOMINATED NEWSCAST FOR 5TH YEAR IN A ROW WITH 21 NOMINATIONS

VICE NEWS SPECIAL: RETURN OF THE TALIBAN RECEIVES 5 NOMINATIONS

BROOKLYN, NY (July 28, 2023) – Today it was announced by the National Academy of Television Arts & Sciences (NATAS) that VICE Media Group has been nominated for 33 News & Documentary Emmy® Awards, a record-breaking number for the company. The continued success of VICE Media Group in the News & Documentary Emmy® Awards highlights the power of the news branch of the brand.

VICE News Tonight continues its reign as the most Emmy-nominated newscast for the 5th year in a row, picking up a total of 21 nominations across a total of 13 categories. Our *VICE News* special with *Showtime*, *Return of the Taliban*, also received special acknowledgment with a nomination in every category it was submitted to. *The Story Of*, nominated for *Outstanding Arts, Culture or Entertainment Coverage*, recently announced its return for a new season airing this year.

"Once again I am blown away by what the VICE News and VICE World News teams have accomplished," said Jesse Angelo, President of Global News & Entertainment. "The enormous and historic news stories of the past three years have brought out the very best in what was once an upstart news organization. These nominations – and the many other honors bestowed on us – make clear that we are now the pre-eminent news organization for young people globally."

Subrata De, Executive Vice President and Global Head of Programming for VICE News said, "These nominations are a testament to the incredible journalism the team does every day. It's an uncertain and turbulent time and our journalists have been steadfast, courageous, and relentless in their reporting. We're humbled by their work and deeply honored once again to be counted among such excellence."

From the anniversary of the January 6th insurrection and the growing restrictions over women's reproductive health and access to safe abortion to the fall of Afghanistan, the rise of the Taliban, and the war in Ukraine, VICE News reporting has covered all areas of the globe. VICE News' Emmy nominations parallel this far-spread reporting with nominations across 22 categories including: *Outstanding Emerging Journalist*, *Outstanding Edited Breaking News Coverage*, *Outstanding Continuing News Coverage: Short Form*, *Outstanding Continuing News Coverage: Long Form*, *Outstanding Soft Feature Story: Short Form*, *Outstanding Soft Feature Story: Long Form*, *Outstanding Hard News Feature Story: Short Form*, *Outstanding Hard News Feature Story: Long Form*, *Outstanding Investigative News Coverage: Long Form*, *Outstanding Recorded News Special*, *Outstanding Health or Medical Coverage*, *Outstanding Arts, Culture or Entertainment Coverage*, *Best News Coverage: Short Form*, *Best News Coverage: Long Form*, *Outstanding Business and Economic Documentary*, *Outstanding Feature Story in Spanish*, *Outstanding Writing: News*, *Outstanding Research: News*, *Outstanding Video Journalism: News*, *Outstanding Editing: News*, *Outstanding Graphic Design and Art Direction: News*, and *Outstanding Editing: Documentary*.

These nominations add to the growing list of Emmy® nominations VICE Media Group has received in 2022 including a Primetime Emmy® nomination for *VICE on Showtime*, a Daytime and Creative Arts Emmy® nomination for *Counter Space with Sophia Roe*, and Sports Emmy® nomination for *VICE VERSA*. This past year has been anything but normal. VICE World News launched its TikTok earlier this year and saw the growth of over 1 million followers and 175 million views in the first two weeks of the Ukrainian invasion. The account now has over 2 million followers and is steadily attracting a younger audience.

Today's Emmy® Awards nominations honor programming content from more than 2,500 submissions in over 64 categories that originally premiered in the 2021 calendar year,

judged by a pool of over 800 peer professionals from across the television and streaming/digital media News & Documentary Industry.
